THE TECHNOLOGY & WORKPLACE MAGAZINE
FOR SMES & PUBLIC SECTOR ORGANISATIONS

MEDIA
2025/26

Business info magazine is a bi-monthly magazine and daily news website published in both printed & digital formats, enabling readers to access it on all media platforms.

We are the UK's leading magazine for UK SME buyers, decisions makers and specifiers of business technology & workplace products and services.

Since our launch, in 1998, we have been at the fore-front of providing the latest news, reviews and information to the UK's most influential SME companies and organisations across both the private & Public sectors.

With a readership of **in the region of 30,000**, **Business info** magazine is distributed by Royal Mail, email and additionally from 200 key Prime location business sites within central London and the City.

Current and past issues are also available for reading and downloading on our www.binfo.co.uk website and digital platforms.

Target audience

- **Small and medium-sized businesses (SMEs) employing 10-250 people.**
- **Readers are typically directors/ buyers in smaller businesses, and IT, comms and senior managers in medium-sized organisations.**

Boasting some of the UK's most entrepreneurial and fast-growing businesses, the SME sector is a key market for comms, print, IT and business equipment suppliers.

SMEs are often the first to embrace new working practices and technologies. With annual budgets of £84,900 in companies employing 11-100 staff and £556,000 in companies with 100+ employees*, no supplier can afford to ignore this important sector of the economy.

USPs

- Published by Kingswood Media, **Business info** remains the only national business technology and workplace magazine exclusively to target buyers and specifiers of business equipment in companies employing 10-250 office-based personnel.
- Colourful, lively and informative, **Business info** is read by 30,000 buyers or specifiers in businesses across all industry sectors including finance, local and central government, retail, legal, professional services, insurance, education and health.

Editorial Style

Business info provides an overview of developments in Printers/MFPs, IT, Cloud, business equipment, Comms and workplace environment. Written for business managers rather than technical specialists, **Business info** covers complex subjects in a clear, accessible style, giving all the information needed to make informed purchasing decisions. Editorial content includes industry and product news; in-depth features; interviews; product reviews and comparisons; and informed comment.

Editorial Subject Matter

Business info is divided into sections, each containing news, reviews, features, case studies and comment:

- **IT News:** Hardware, AV Projectors, Scanners, Cloud, Managed Services and software.
- **Print News:** MPS, Printers and MFPs.
- **Comms News:** IP telephony, Mobiles and UC.
- **Workplace News:** Mailroom Products, Office Machines, Desking, Seating, Filing.

Our editorial team welcomes any news stories, case studies, comment and products for review (conditions apply). Email jamesg@binfo.co.uk to contribute.

Readership

Business info has a controlled circulation, which is mailed only to named individuals who fit our terms of control: "Buyers, managers, directors and other personnel responsible for either the purchasing, selecting or using of their company's business and IT equipment, services, consumables, supplies and furniture".

Business info magazine is also available free of charge from 200 newsstands situated within Central London and the City, these prime locations are typically reception/high footfall areas such as Leading UK Banks, public organisations, blue chip businesses, prestige apartment, serviced offices & government departments.

We inform our readers by email of each issue with links to our online magazine.

Current and past issues are also available for reading and downloading on our www.binfo.co.uk website and various digital platforms.

Extra copies are regularly distributed at exhibitions and conferences that we attend and to our advertisers' own databases.
